ICT Acceptable Use Agreement Policy Kindergarten - Year 1

Students will learn to use devices appropriately by:

- Using all electronic devices safely, respectfully and responsibly.
- Asking the teacher first before using school electronic devices.
- Keeping all personal details to themselves. This includes name, phone number, address, name of school, photographs or other details about themselves or others.
- Taking care of all electronic devices.
- If a student finds any information that is inappropriate or makes them feel uncomfortable they will tell a teacher about it.
