On Monday 30th March, Kaboom Percussion is coming to the school to perform two concerts for our Burrendah students. Kaboom Percussion is made up of Catherine Hall and Joshua Webster, both freelance percussionists based in Perth, Western Australia. They have a wide range of musical experience between them, and have been working together for the past decade. They both work as performers, instrumental teachers, ensemble directors, and composers, and they play a mean cup!

Their brand new show is designed to inspire and amaze, showing the exciting possibilities of music through the fascinating world of percussion.

The show is not something to just sit and watch - the audience is an integral part of this interactive performance! It features a wide range of percussion instruments, with a focus on creating incredible music with simple and common instruments and objects, and demonstrates how easily students can make music with things in their own environment. Check out some videos of what you can expect to see by visiting www.kaboompercussion.com
